

FREE SAFETY SEMINAR

Wednesday, September 13th
5:00pm - 7:00pm

Starting November 6, 2017, any job that requires a Construction Superintendent will require a Site Safety Plan.

Site Safety Plans will now be required for:

- New Building Construction or Demolition (*excluding 1,3,4 family homes*)
- Vertical or horizontal enlargement.
- Any job for which Special Inspections are required for underpinning or protection of sides of excavations.
- Removal of one or more floors over a 12 month period.
- Alteration or demolition of more than 50% of the floor area of a building over a 12 month period. [Int. No. 1448](#)

Fines of up to \$10,000 may be issued for not having a Site Safety Plan.
